Valid until: 28 February 2025

Site: 14 Lantern Mews, Brindlewick, ZZ1 1ZZ
Prepared for: Northbridge Lettings

Proposed work

- Protect the immediate work area on the flat side of the entrance door.
- Lightly sand loose coating on the flat-side face and visible top edge.
- Spot-fill minor surface marks and apply one undercoat and two finish coats of water-based interior paint to those areas.
- Remove work-area protection and leave the area tidy.

Quotation total: £186.00, including materials and labour.

Assumptions and exclusions

Price assumes access during one visit and a sound, dry surface beneath the loose coating. Any additional substrate damage or preparation will be priced separately before proceeding.

This quotation covers surface preparation and decorative painting only. It excludes adjustment of the door, frame or hinges; removal or replacement of hardware; alterations to the door, frame, seals or threshold; and investigation of the door's construction or closing performance.

No door-set inspection, fire-performance test, certification, compliance assessment, or fire-safety opinion is included. No statement is made about the door's rating or suitability for any fire-safety purpose.

Work is subject to access being arranged by the client. No work has been scheduled.
